Dyer Regular City Council Meeting September 24, 2019

The Dyer City Council Meeting was called to order at 5:30 pm by Lynn Hubbard Recorder/Treasurer. The pledge of allegiance was said, and roll was called.* Present for the council meeting was: Alderman Donna Staton, Alderman Randy Beard, Alderman Myrna Burns and Alderman Katherine Fry. Absent were Alderman Robert Porter and Alderman Nancy Smith.

Public Forum: Dave Vines and Bob Morrell were present to ask if the problem with the dogs was going to be pursued further. A report of our intentions to work on this after the first of the year was verbalized to the council and both gentlemen. Both gentlemen accepted this and departed the meeting.

Motion to approve August 2019 Minutes was made by Alderman Randy Beard and seconded by Alderman Donna Staton. Roll Call:
Alderman Donna Staton yea
Alderman Randy Beard yea
Alderman Myrna Burns yea
All yea.

Water and Financial reports were reviewed, and a motion was made by Alderman Donna Staton to approve reports and was seconded by Alderman Myrna Burns. Roll call: Alderman Donna Staton yea Alderman Randy Beard yea Alderman Myrna Burns yea All yea.

Mayor Report: Mayor Morse reported an upcoming meeting at Alma City hall referencing the annexation of area north of town. Veronica, Fire Chief and Mayor Morse will attend this meeting and anyone else welcome to attend.

Public Works report:

During a change out of the master meter the company that installed this meter informed the city that there would be no need for them to turn off the pumps. This was questioned several times during the phone call and the city was assured that it was not needed. On the morning of the change out the city received calls from customers they were out of water. The city workers went down to the pumps and noted the pumps were dry and smoking. We immediately shut them off and went to the master meter where they were working and told them of the problem. On the following Mark Yardley of Alma was contacted and thins information relayed to him and that damage was sustained. Mr. Yardley was apologetic and agreed to cover the cost of the repairs.

As you have been informed Act 833 for the fire department application was submitted late and it has been reinstated.

Also, in a legal class Veronica attended it was expressed that we should not be charging different deposits for renters and home owners. They felt it could be classified as discrimination. They did say we could pass a policy requiring all home owners keep all rentals in their name. This would prevent a few things for the city: The city will not be skipped out on a bill that is owed. If the home has a leak it will make the landlord more likely to do repairs in a timely manner.

Police Department:

Police report: Information gathered for kennel after first of year. It was suggested that cameras be installed on the water office and front of city hall or fire station to help monitor streets better. This purchase could be within the mayor's budget. Treasurer spoke up and informed council that she has requested a floor fixable safe to be installed in the building as well.

City Attorney: Sean Brister and Council re-visited the Ordinance 2019-08-27-01 Per Diem read one time or change to new ordinance as discussed in study session.

The changes in the per diem was to reflect \$50.00 per day and that the employees must present receipts and complete an expenditure report. At the descression or the mayor per diem would issue in advance \$50 and any moneys not reimbursed be returned with receipts. Motion made to suspend reading rule on amended ordinance 2019-09-24-01 as amended one time by number and time only Alderman Donna Staton and seconded by Alderman Myrna Burns .

Roll call:

Alderman Donna Staton yea Alderman Randy Beard yea Alderman Myrna Burns yea Alderman Katherine Fry yea All yea.

Re: Group Compliance with Fund Policies

Dear Ms. Robins,

The Eligibility Requirements listed in the Municipal Health Benefit Fund booklet states that a participating employer must **have and maintain** coverage on 75% of full-time active employees working thirty (30) or more hours per week. If the employer has less than 3 employees, they must **have and maintain** coverage of 100% of full-time active employees.

The Survey of Employees you most recently completed indicates that you have 6 full-time active employees and 1 part-time employees and MHBF covers 4 employee(s). This works out to be 67% participation. Please review your last submitted survey and send a revised one if needed.

In order to comply with Fund policy, additional employee(s) MUST be added by the end of open enrollment January 2020. If no one is added to increase your participation percentage, the group <u>will terminate effective 12/31/2019</u> as the requirement for a Participating Employer percentage is not being met.

If you have any questions, please feel free to contact me at the number or email address below.

Thank you,
